

ETHICAL EATING AND WORLD PEACE

A conversation with Will Tuttle

Author of the #1 Amazon best-seller *The World Peace Diet*, Dr. Tuttle sheds new light not only on the underlying causes of war, injustice, and exploitation, but also offers insights into how we can each contribute to a more peaceful, just, and sustainable world. His research and synthesis is based on a new understanding of the far-reaching consequences of our food systems, as well as both science and ancient wisdom teachings.
